1. One 3-ring (not spiral) notebook. I would prefer that it be used for Social Studies only, but if you can keep yourself organized, you can use it for more than one subject. Subject dividers are not required.

2. White, holed, lined, filler paper to go in the notebook detailed above.

3. At least two black or blue inked pens

4. At least two #2 pencils

5. One highlighter- your choice of color

6. One plan book (was provided by the school on the first day)

7. Optional! A calendar with enough space to write in all of your activities and long-range assignments for all of your classes.

Parents: Thank you for your cooperation in this matter.
